Bring
joy to patients
this Christmas

“Raising a smile for Christmas” appeal

Let’s come together to make the season truly magical for those who need it most.

Those who spend Christmas days at our inpatient units will find themselves away from their homes and loved ones, facing some physical or mental health conditions. For some, the atmosphere our dedicated staff will create may be the only Christmas magic they will experience; and the gift they will receive from us may be the only one they open this year.

By participating in our "Raise a Smile" appeal, you and your business can bring festive joy directly to our wards, filling our units with warmth, light, and smiles. Your involvement will lift spirits and create a heart-warming Christmas experience for 600 patients who need it most.

Be Santa's helper and spread joy with your team

 **Gift-in-Kind donations:** Have a product or service that could brighten a patient's day? Contribute directly with gift donations tailored to their needs. Please contact us to ensure suitability of the gift offer.

 **Fundraising and financial contributions:** Your financial support will help us provide tailored gifts, fund activities, and ensure every inpatient ward is beautifully decorated with a Christmas tree, creating a festive atmosphere.

Fundraising idea: Turn your company's Secret Santa into a fundraiser and donate an equivalent you would have spent on a gift for your colleague towards our appeal. Give a gift of kindness which will make someone's Christmas brighter.

Competition time!

Are you looking to make an even greater impact this season? We are offering an opportunity to sponsor a Christmas Tree Competition at our inpatient units.

This friendly contest involves our patients that are struggling with mental health illnesses and those in community hospitals. The initiative gives a sense of purpose and lifts spirits when it's needed most.

These Christmas trees are more than festive decorations; they are also symbols of community, compassion, and warmth during difficult times.

With your sponsorship, **your company's logo** will be proudly displayed on a printed bauble, symbolising your generous support. You will also take part in our **judging panel**.

**Christmas Tree Competition
Sponsorship package: £500**

What your Christmas donation could do

could pay for gifts for ten patients at one of our mental health or community hospitals wards

could pay for craft activities for patients to engage in during Christmas

could fund weighted blankets for ten patients with mental health conditions

Do donate please visit our Raising a Smile appeal page: bit.ly/48FuDCQ

Sending Christmas wishes

To express our gratitude for your kind support this Christmas, we have created a personalised Raising Health e-card for you to share with your networks.

This e-card will not only serve as an opportunity to send best wishes to your staff, colleagues and partners but will help you **spread the word** that your business is doing great work this Christmas to support a local charity and **give joy** to patients in need.

We will add your logo and tailored message so please contact us if you wish to support us this Christmas!

“We know that it can be very hard for our patients to have to spend Christmas Day in our care, especially those who may feel lonely or may not get a visit from a loved one. We want to offer all our inpatients a **little gift** to show that we – and the local community – are thinking about each and every one of them. In order to do this, we need to raise around £5,000 and are asking anyone who can afford to, to donate if they can. No matter how small, your generosity will help to **brighten up** someone’s Christmas morning.”

Faisal Hussain
chair of Raising Health charity

A Christmas Carol and its true meaning

Together we can turn this Christmas into a story of compassion and goodwill—a festive tale that will be remembered by all.

Your business can help transform our inpatient units into places of joy and celebration. Your involvement—whether through gift donations or sponsorship—brings the Christmas spirit to those who might otherwise feel its absence.

Together, we can create magical moments and cherished memories, making sure that no one feels forgotten this Christmas.
