Make your gift worth 25% more at no extra cost to you!
Gift Aid allows Raising Health to claim tax back from HMRC on all your donations.
For every £1 you give, they'll add an extra 25p from your taxes and it doesn't cost you a penny.

I am a UK taxpayer, and I would like Raising Health to treat all donations I have made for the four years prior to this tax year and all donations I make from the date provided, until I notify you otherwise, as Gift Aid donations. I understand that I must have paid an amount of income tax and/or capital gains tax at least equal to the tax that all charities or Community Amateur Sports Clubs (CASCs) will reclaim on my donations for that tax year. Please **note that VAT and Council Tax do not qualify to cover Gift Aid claims.**
